

EVACUATION DRILL

In the event of an evacuation, please follow the following rules:

1. Move to the centre of the course via exit gates in front of stands.
2. Walk, don't run.
3. Do not re-enter.
4. Follow all instructions from course attendants and public address.

In the event of an emergency evacuation please note the nearest emergency exit to the centre of the course and listen to instructions over the public address.
